PLEASE NOTE: This request is not filed by a MuckRock staff member, but is being sent through MuckRock by the above in order to better track, share, and manage public records requests. Also note that improperly addressed (i.e., with the requester's name rather than "MuckRock News" and the department number) requests might be returned as undeliverable.

On Oct. 9, 2018:
Ms. Smith,

Thank you for your response. Please proceed with this request as it was originally filed, I am willing to wait for records to be produced pursuant to this request and I understand you and your colleagues may be quite busy.

sincerely,
Christopher Schiano

On Sept. 26, 2018:
Dear Mr. Schiano,

We thank you for your patience, as you may know the state of North Carolina has been severely impacted by the recent hurricane. We are processing a large number of requests as well as still being very engaged in responding to Florence.

Your request for "Any email sent or received between August 25, 2018 and the date on which this request is processed which contains the keyword 'antifa'" is very broad and will take a significant amount of time to collect. If you are able to narrow it to a more specific person, section, or unit within the Department of Public Safety that would help expedite our response.

Sincerely,

Susan
